

## Call for Papers

### 2019 ASSA Meetings

January 4-6, 2019

The Economic History Association will sponsor two sessions at the ASSA meetings in Atlanta, January 4-6, 2019. The program committee includes David Mitch and Simone Wegge. Authors interested in presenting a paper should email a 2-3 page summary as an attachment to Mike Hauptert at [mhauptert@uwlax.edu](mailto:mhauptert@uwlax.edu) by May 18, 2018. Be sure to include contact information for all authors on the first page of the submission.

We would like to make summaries of the papers available in advance of the ASSA meetings, and the Cliometric Society has agreed to publish them on the Society's website. Thus, authors submitting proposals should be prepared to provide a copy of their paper for posting on the Cliometric Society website by November 30, 2018. Send a copy of the paper to Melissa Thomasson at [thomasma@miamioh.edu](mailto:thomasma@miamioh.edu).

At least one author must be a member of the Economic History Association. To join, visit the Economic History Association website at <http://eh.net/eha/membership/>.
